- (d) the Contractor complies with all Applicable Laws and the reasonable instructions and directions of ABP while on the Premises; and
- (e) notwithstanding the generality of Condition 8.1(d) above, the Contractor holds all relevant permits of licences required for the carrying out of the proposed works.

Thereafter, the Owner will be required to pay any applicable charges to park a Vehicle in the Car Park.

- 9.7 Any failure to display a permit for the Car Park or failure to park in accordance with any rules, instructions and signage regarding parking arrangements in and around the Premises may attract parking enforcement measures. ABP reserves the right to utilise CCTV and to employ a specialist parking management and enforcement company to ensure compliance with the parking arrangements.
- 9.8 The Owner acknowledges and agrees that any authorisation granted by ABP for a Vehicle to use the Car Park is granted by ABP in good faith and at its discretion for the purposes of the Owner or its guests to have somewhere to park their car while visiting the Premises.
- 9.9 Without prejudice to any rights and remedies it may have against the Owner or to any other provision of this Licence, ABP has the right to revoke any parking authorisation granted in relation to any vehicle:
- at any time during the Agreed Period at ABP's absolute discretion by giving the Owner seven (7) days prior notice in writing; or

Termination of the Licence for whatever reason will not affect the rights or remedies of either ABP or the Owner which may have accrued up to the date of termination.
- 13.6 Without prejudice to any other rights or remedies of ABP, if the Owner fails to remove the Vessel from the Berth / Premises on the End Date or on earlier termination of this Licence, ABP shall be entitled:

ADDITIONAL CONDITIONS APPLICABLE AT THE MARINA

- Any works carried out on the Vessel by ABP at the Fleetwood Haven Marina (including lift-out services) shall be conducted in accordance with the Fleetwood Haven Marina Terms of Business for provision of services.
- The Owner may pay the annual Licence Fee in instalments where agreed with the Marina Management. Instalments may be paid by Standing Order and are subject to a 10% surcharge.
- The Licence Fee is calculated by reference to the length of the Vessel and will be calculated to the next 50cm. The overall length of Vessels will include bowsprits, dinghies on davits and any other fixtures and fittings.
- Subject to space availability, the owner may store cradles and trailers ashore in the Marina Storage Compound, subject to additional storage charges as set out in the tariff published on the Marina's website. Any such storage of Owner Property is undertaken entirely at the owner's own risk and the provisions of Condition 5 (Limitation on ABP's Liability) shall apply in full.
- Except with the prior written consent of the Marina Management, the Vessel's mast may not remain stepped whilst the Vessel is laid up ashore in the Marina's Storage Compound. Consent will be granted at the absolute discretion of the Marina Management. The Owner will be required to remove sails, spray hoods and dodgers from the Vessel whilst laid up ashore.
- Where the Owner wishes to use or permit the use of the Vessel as an abode, it must obtain permission from ABP and shall be required to comply with the provisions of the Marina's Residential Use Protocol. For the avoidance of doubt, the Berth and Vessel shall be deemed to be used as a place of abode where any of the following apply:

 - the Owner stays on board the Vessel for more than 21 consecutive days or for more than 180 days in total in any Agreed Period (or pro rata part thereof);
 - the Owner uses the Marina Management Office his or her mailing address; or
 - in ABP's reasonable opinion, the Owner uses the Vessel as a place of residence.
- The Owner must comply with the following navigational requirements whilst at the Port:
 - whilst navigating in the Harbour, the Owner and any Owner Invitees must at all times keep a listening watch on VHF Channel 12; and
 - before leaving or entering the Harbour in the Vessel, the Owner or the Owner Invitees must call Fleetwood Dock Radio on VHF Channel 12 to inform them of the Vessel's intentions.
